¹ In accordance with § 4, Clause 1 of the articles of association of Pharma Deutschland e.V., full members are registered companies that manufacture medicinal products, substance based medical devices, or medical devices that are digital health applications, or are pharmaceutical entrepreneurs or other entities responsible for the distribution of substance based medical devices.

² In contrast, associate (supporting) members are companies, organisations, and individuals with a direct or indirect interest in the promotion and distribution of medicinal products or substance based medical devices.

Information on data protection

This privacy information applies to data processing by Pharma Deutschland e.V. (with its two offices at Ueberstraße 71–73, 53173 Bonn, and Friedrichstraße 134, 10117 Berlin, email: info@pharmadeutschland.de, Tel.: 0228/95745 - 0, Fax: 0228/95745 - 90. The data protection officer of Pharma Deutschland e.V. can be reached at the above address in Bonn, attention Dr Andreas Franken, or via datenschutz@pharmadeutschland.de.

Collection and storage of personal data and type and purpose of use

The data required for membership in Pharma Deutschland e.V. includes some personal data. Pharma Deutschland e.V. processes the personal data of its members' employees and representatives in both automated and non-automated forms. This includes: Name and address, phone numbers (landline and mobile, if available), and email address. The specified data is used for member administration, including fee collection. In this context, data is shared with board members, management, and staff in both offices, as required for their roles and responsibilities within the association. The legal basis for this is Article 6(1)(b) GDPR.

One of Pharma Deutschland e.V.'s statutory roles is to inform members on all topics concerning the pharmaceutical industry. It is therefore in your interest to be promptly, comprehensively, and specifically informed of such matters. This information is sent to employees and representatives of members who have registered for it. The legal basis for this data processing is Article 6(1)(f) GDPR. As part of statutory public events, Pharma Deutschland e.V. may publish photos and reports about the events on its website, in its information media, or as press releases to newspapers and social media. It is assumed that some individuals may be recognisable in the photos. Where captions or reports reference specific participants, only their name, company affiliation, and role in the association will be published or shared. This serves the public relations and external presentation of Pharma Deutschland e.V., essential for fulfilling its statutory purpose. The legal basis for this is Article 6(1)(f) GDPR. The provisions of §§ 22, 23 of the German Copyright Act (Kunsturhebergesetz) on image rights are respected. Photos of individuals or additional data are published/shared by Pharma Deutschland e.V. only with the individual's consent or unless they have objected (legal basis: Article 6(1)(a) GDPR).

Data sharing

Your personal data will not be shared with third parties unless:

- You have given your explicit consent under Article 6(1)(a) GDPR,
- Sharing is necessary under Article 6(1)(f) GDPR to assert, exercise, or defend legal claims and there is no reason to assume you have an overriding interest in the non-disclosure of your data,
- A legal obligation to share exists under Article 6(1)(c) GDPR, or
- Sharing is legally permissible and necessary under Article 6(1)(b) GDPR for processing contractual relationships with you or your company.

Data subject rights

Individuals may request information about their stored data via datenschutz@pharmadeutschland.de. They may also request correction or deletion of their data under certain conditions. Further rights may include restricting the processing of their data or requesting the transfer of their data in a structured, common, and machine-readable format.

Individuals may object to their data being processed for direct marketing purposes, such as receiving information about our seminars and events.

If data is processed to protect legitimate interests, individuals may object if reasons arising from their specific situation oppose such processing.

Data retention period

Pharma Deutschland e.V. deletes personal data once it is no longer required for the stated purposes. However, data may be retained for periods during which claims can be made against Pharma Deutschland e.V. (legal limitation periods range from 3 to 30 years). Data is also retained if there is a legal obligation to do so.

Complaint rights

Complaints may be directed to the above data protection officer or a data protection authority. The supervisory authority for Pharma Deutschland e.V. is: Data Protection and Freedom of Information Commissioner for North Rhine-Westphalia, Kavalleriestraße 2–4, 40213 Düsseldorf.
